We, Lycurgus and Mikhailina wish you well and hope none suffer from the touch of the sun.

We had an Outlandish time at the yearly event in al-Barran and wish to applaud the efforts of everyone involved in such a successful event. The Royalty from other lands gave comment on the hospitality of Our Peoples. Many may be curious as to what transpired at the Council of Crowns that was held Sunday morn at Grand Outlandish. The Queen and Prince of Caid, the King, Queen, and Prince of Atenveldt, the King of Calontir, and councillors to each, graced us with their presence. As it stands at this time both Great Western War and Estrella will take place on the same weekend. It will be a weighty responsibility to choose the road the Mighty Kingdom of the Outlands will take. This decision rests on the shoulders of Our Heirs. We have high hopes for the formation of a permanent War Council or College to aid Our descendants in planning strategies for fighters, fencers, artisans, and volunteers before news of war draws near. A War Council can only be maintained if the people make it so. Look to Us for more news in the future as to how you may become involved.

We shower great thanks on Mistress Helena, Syr Deotrich, Syr Hrorek, and Countess Madigan for giving of themselves to make the Council of Crowns the success it was.

The Pennsic Wars are just beyond the horizon. We are still in need of gifts for Kings and Princes, having many wondrous items for their Consorts. Also, the Kingdom Trailer is in need of a sturdy steed and Coachman to make the sojourn to the battlefields. Please inform Us if you are willing to assist.

In addition, We would like to suggest several types of events in hopes that they may someday come into being.

1. An event with many challenges for smalls and Adults working separately or together.

2. Coronation in a church. No matter the denomination, churches generally provide a Period atmosphere, feast hall and plenty of seating!

3. A Peers' retreat weekend at a spa or the home of one of our members.

Queen's Prize is but a short time away. Prepare your greatest works as We expect hard work from all of you. Start collecting tokens to leave at the entries of other artisans. One of the joys of this event is receiving small gifts from people who appreciate your work. Let Us aim for mounds of treasure for each entrant!

In the center of this Herald is an award recommendation form. You may still correspond in your own style but We ask that you include all of the information included therein. Ask your fellows if a certain gentle has been awarded for his merits. We often hear how worthy gentles have been overlooked in the awards process and it saddens Us. The People must be the eyes and ears of the King to ensure recognition is given on time.

Don't forget that Letters of Intent for the upcoming Crown Tournament are due to Us **no later than July 12.**

May your crops rise and your flocks flourish.

FROM THE SENESCHAL

Greetings unto the people of these great Outlands from Maestra Francesca di Pavia, Kingdom Seneschal:

High summer in the Outlands means heat and dryness. Remember your sunscreen and water!

Crown Tournament will be held this month in the Barony of Unser Hafen. Their Majesties have requested that all Letters of Intent be in Their hands no later than July 12, one week before the Tournament. I will be verifying memberships based on these Letters. If there is a problem with your membership, I will contact you if at all possible; to facilitate this, I ask that you provide a telephone number on your Letter to Their Majesties. This advance preparation should minimize your check-in time at the Lists table on the day of the Tournament - but please do have your membership card handy in case I need to see it.

I would like to hold a meeting of all local Seneschals present on the Sunday morning of Crown Tournament weekend. Deputies are also welcome.

May your crops prosper,

Francesca

FROM THE EARL MARSHAL

Greetings unto the Outlands.

There has been a recent revision of the Heavy rules for the Kingdom (to be published in the August OH). If you are a Knight Marshal or Authorizing Marshal and were in attendance at either StagsCon, you got a copy. If you would like a copy, please see your local Knight Marshal or Authorizing Marshal. Read them, know them, live them.

Fencers, you have new rules now also. These are to be followed. I have recently heard disturbing reports concerning lapses in courtesy and communication, as well as armor and weapon problems. Any game has rules. If you cannot follow the rules, you cannot play the game. End of story. Please contact myself or Don Ian if you have concerns and/or problems. If we do not hear about them, we cannot fix them.

Fight well, have fun, be safe.

Haroun

FROM THE RAPIER MARSHAL

I am very pleased to announce the appointment of the following individuals as Deputy Kingdom Fencing Marshals: for the northern Outlands, Don Tryffin MacUalraig; for the southern Outlands, Dona Ainrea MacCulloch; and for the far southern Outlands, Victoria Trujillo - known as Devlin. Please give these individuals your congratulations and enthusiastic support.

Secondly, I am also pleased to announce that the new rapier rules have been signed, distributed, published (as of this issue), and are in force. Take the time to review the new rules. You will note that there are some changes from the previous revision that was circulated. Marshals, please familiarize yourselves with the armor standards and be sure that they are being enforced - even at practice.

Thirdly, I still have not been contacted by many of the local and authorizing marshals. At this time I am in the process of finalizing the roster of local and authorizing marshals. Please contact me as soon as possible to avoid being dropped from the roster. It is also essential that authorizing marshals contact me to receive new authorization paperwork and to review new authorization procedures.

Finally, some very disturbing reports have recently been made. For the record: 1) Kingdom and Society rules apply to everyone - no exceptions. 2) Marshals are required to enforce those rules and to report injuries, incidents, and violations of rules to me. Again, no exceptions. 3) People who do not abide by items 1) and 2) jeopardize their own safety and the safety of others and put the future of rapier combat in the SCA at risk. 4) This type of conduct will not be tolerated. Period.

The rules for SCA rapier conduct are designed to balance the need for safety and desire to have fun. So far as possible, the rules have been kept simple and unobtrusive. However, ignoring the rules that you may not like is **not** an option.

Remember, participation in rapier combat is a privilege, not a right. Courtesy, chivalry, and compliance with Kingdom and Society standards are the bare minimum standard for participation in SCA rapier combat. Failure to live up to all three of those standards is grounds for revocation of a rapier combat authorization. Enough said.

In Service,

Don Ian of Nightsgate

FROM THE ARCHER GENERAL

Lord Peregrine Elric of Courtenay Sends Greetings to the good gentles of the Outlands.

The Royal Archer Tournament of the Outlands was shot over the Memorial Day weekend concurrently at Grand Outlandish (GO) in New Mexico, and Brigands Bizarre (BB) in Northern Colorado, in favorable conditions at both sites. This tournament is the fourth of its kind in the Outlands, and determines who will stand in TRM Court for the next year (not reign) to represent the archery community.

The newest Royal Archer of the Outlands will be Lord Ashikaga no Toshihiro. After a Royal Archer Round (1/2 IKAC), and a necessary Royal Round tiebreaker, he won out of a field of fourteen archers to claim this most revered title. Hats off to all of the competitors, who are listed in order of finish (there were four ties, indicated by +), archer's home group, and where they shot:

1+	Lord Ashikaga no Toshihiro	Hinterland	BB
1+	Lord Peregrine Elric of Courtenay	Hinterland	BB
3	Lord John of Blackwood	Caer Mithin Halle	GO
4	Lady Katharina of Hawkshaven	al-Barran	GO
5+	Baron Aethelstan of Bainbridge	Caerthe	BB

5+	Iain Lindsey McRae*	Nahrun Kabirun	GO
7	Lady Ailinn Shadowfox*	Hawks Hollow	BB
8	Damion D'Antioch	al-Barran	GO
9+	Baron Caomh Bethan Crubach	Gleann Medonach	GO
9+	Lord Restald de Monet	Hinterland	BB
11	Lord Ivan Alsander MacOrin	Caerthe	BB
12+	Mistress Katrine Vanora of Maidstone	Hinterland	BB
12+	Lord Johannes Linkehant	Aarquelle	GO
14	Gerdon Titus	Drygestan	GO

Those archers who competed by virtue of the Qualifying Round (indicated by *) became ranked as a Yeoman archer and may wear the blue archer's tassel (with blue knot for Open division and gold knot for Period division). Moving from Bowman to Yeoman with the qualifying score of 45 (in the Royal Round) is the **only** time an archer is able to change ranking with just one score.

Other news of interest: The Outlands Target Archery Handbooks are back from the printer and are being distributed to all (reporting) Marshals of the Field (we have 79 at this point, although not all report) and group Captains of Archers. The bulk are being given out at the newly instituted StagsCon (local officer training sessions), one already held in the North (Ft. Collins, CO), and one to be held in the South (Albuquerque, NM). The entire booklet is about 60 pages covering topics from the general "Archery in the SCA" to "Archery Marshallate" to various shoots, suppliers, current IKAC & IKCAC rules, and even a glossary. I am very interested in ideas and feedback.

In Service to the Outlands,

Peregrine

FROM THE EXCHEQUER

Unto the populace of the Outlands, greetings.

Just a reminder to the exchequers that the second quarter report is due July 15. I met many of you at the Northern and Southern regional StagsCons. I thank you for all your hard work.

I am in the process of constructing a financial plan for the Outlands. It is my goal to come up with a formula, based on a pattern of contribution, that will fund the Outlands so that all expenses incurred by the Crown and Crown Prince/Princess that are reimbursable under Society guidelines can be paid. In a nutshell, I would like to see the Outlands underwrite all reimbursable expenses, with no cost sharing by the Crown at all. Currently the "formula" for reimbursement is the Crown pays 1/3, the Kingdom pays 1/3, and hopefully the group visited pays 1/3 of travel expenses. There is no provision for the Crown Prince/Princess. The Kingdom pays for all regular reimbursable expenses (printing, postage) associated with the Crown.

The "old" rule of thumb for contributions is contained in the Kingdom Financial Policy. Basically stated, if your group hosts a Crown event, fifty percent of the net proceeds should be forwarded to a Kingdom account. If the Crown attends, your group should forward an amount equal to 1/3 of the travel expenses to a Kingdom account.

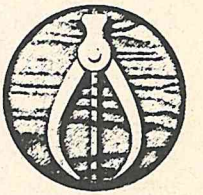
I am proposing the following suggestion of policy. Please forward your thoughts and concerns to me.

> Hosting a Crown event (Crown Tourney, Coronation, A&S) should result in fifty percent of the net proceeds forwarded to a Kingdom account. If the Crown attends your event, one third of the net proceeds should be forwarded to a Kingdom account. Ten percent of the net proceeds from all other events should be forwarded to a Kingdom account.

I look forward to your comments.

Mistress Aldyth

FROM THE MINISTER OF ARTS AND SCIENCES



Congratulations to the Barony of Caerthe and the Incipient College of Schola Metallorum (Golden, CO) who will be hosting the Kingdom Arts & Sciences Collegium this October. THL Gabrielle Cartier will be your Autocrat and will be able to answer any questions you may have concerning the site, accommodations and surrounding amenities. She can be contacted at: THL Gabrielle Cartier (Cheryl Ann Baker), 1645 Valentia, Denver, CO 80020, (303)394-4003. Please start thinking about what you would like to teach at this Collegium!

Since HRM Mikhailina will be slightly indisposed for the next several months, Mistress Sarah de Montgomerie, despite recently becoming the Baroness of al-Barran, has graciously volunteered to help once again with the A&S Office. Please note her address inside the front cover. Thank you, Sarah!

In service,

Marie

FROM THE KINGDOM SCRIBE

Greetings to one and all. I would like to express my sincere appreciation for all those devoted individuals who donated their skills and materials to produce scrolls during the past reign. There were over ninety-five scrolls assigned through the Scribe's office, and that does not include many promissory AoA's that were given! I believe that my current listing is incomplete. If you did a scroll for the Kingdom, but are not on this list, please let me know so that I can correct my files and publish any additional names in a future issue.

I would like to thank my deputies, THL Wyndylyn and THL Ari for all the work they have done. Ari will soon be leaving the Outlands, and I would like to express my sincere appreciation to her for the many times that she has taken care of last minute assignments and otherwise assisted me.

If you would like to do scrolls for the Kingdom, please let me know. There are scribes out there who I have no contact information for, so if you haven't heard from me for awhile, give me a call (or email). Please keep in mind that if you would like to do a scroll for someone, all texts must be pre-approved by the Scribe's office (the texts and variations in the Kingdom Scribe's Handbook are already approved). Please check with me before starting to work on back scrolls that have been awarded in this Kingdom. Even if the person has not yet received a scroll, it may have already been assigned to a scribe, even if the recipient is unaware of it. By checking with the Scribe's office, you can make sure that there isn't already someone hard at work on a scroll for that award.

Here is the list, by group, of (most of) those who did scrolls for the reign.

al-Barran: Agate die Fahrwanderin, Alarik the Fool, Caelte Caitchairn, Clarice d'Oussant, Echevarian Peregrinus, Elenfea of Starwood, Fermina de Caballo, Gwenlyn Aldwyn, Julian Aldeford, Random DeLay, Baroness Susan the Midwife

FROM THE CHRONICLER

Greetings unto the Populace of the Kingdom of the Outlands!

Please note that, in order to get your event on the Kingdom Calendar so that I am able to print it, Mistress Katrine must have received your event form by the Saturday before my publication deadline. Thus, for the August issue, my deadline is July 1, so hers is June 28.

For some reason, this month I have money on my mind, and so I feel it necessary to discuss some of the financial aspects of the Chronicler's office.

There have been rumours going around that there is now a requirement for local newsletter subscriptions to start and end in January. There is no such requirement. It was suggested by the Kingdom Exchequer at StagsCon as a way of easing the local Exchequers'

tasks when creating their Domesday reports. Thus, if a group wishes to do this to alleviate some of the accounting headaches, they are more than welcome and even encouraged to. However, if the effort of making all existing subscriptions over is more than the local Chronicler and Exchequer wish to deal with, then don't do it. I would suggest that the Seneschal, Chronicler, and Exchequer of each group discuss this, and decide what would be best for their group. Consulting the local Populace wouldn't be a bad idea, either.

Now to the finances of the Kingdom Chronicler's office. We receive a quarterly stipend from the corporation of approximately $2100. Figuring in printing, postage, and miscellaneous supplies (staples, etc), this works out to enough for a twenty-eight page issue. The mandatory material (cover and Corporate-mandated) consumes nine of those pages, leaving a remainder of nineteen pages for 'optional' material. At first blush, this sounds like plenty of room. However, count up the number of pages used by the Royal letter, retinue listing, officers letters, Warthaven, and, of course, event articles, and you'll find that in every issue, there is far more than nineteen pages so filled. Realistically, the average issue is forty pages. This issue is an extreme case, it being the height of event season. The average issue's cash shortfall is approximately $120, and the large summer issues are even worse (about $250 for this one). This does not count special editions, such as the Red Tape issue.

Given these financial realities, I would like to encourage individuals and groups to contribute to the Kingdom, either specifically to the Outlandish Herald or to the General Fund. The guidelines suggested in Aldyth's letter are one way of doing things. Another is to hold fund-raisers, or put out a brass bowl, or whatever comes to mind. I would be quite happy to publish the names of any individuals that contribute. The bottom line, though, is that this is your newsletter, and it needs your support.

In Service to the Kingdom and the Society, I remain,

Rüdeger

FROM THE GRAND COUNCIL REPRESENTATIVE

Greetings, I have recently been appointed to be the representative to the Grand Council for the Kingdom of the Outlands. I would like to take this opportunity to do two things: 1) introduce myself briefly, and 2) explain briefly what exactly the Grand Council is.

First, myself. My name is Lord Balthazar and I have been involved in the SCA for 5 years. I am from the barony of al-Barran and am also a member of the College of Blaiddwyn. I have served as an officer at the College and the Baronial level.

Second, the Grand Council. The Grand Council was created by the Board of Directors around two and a half years ago and has undergone many changes since its inception. It is now an executive committee of the Board of Directors. It exists to help the Board consider large questions about the structure and workings of the corporation that might get pushed aside in the normal course of business. Put more simply, the Grand Council is similar to the Interkingdom Advisory Council (IAC), but while the IAC is concerned with "game" issues (like banishment), the Grand Council is concerned with the "mundane" issues.

Currently the Board has asked the Grand Council to consider how much it might cost (in money and effort) to have the Board members be elected by the general membership. The Grand Council is also drafting a proposal on international restructuring.

The Grand Council electronic distribution list can be read by anyone with the proper technology. Please feel free to contact me for directions on how to do this.

I would truly like to be a true representative for our kingdom. Please feel free to contact me with concerns, ideas, or advice at any time. My phone, address and email are in the "important contacts" list in this issue of the Outlandish Herald.

In service,

Balthazar

BOARD MEETING DATE CORRECTION

In the June Outlandish Herald, it was reported that the next quarterly Board meeting will be on July 19, 1997. This is incorrect. The meeting will actually be held on July 26, 1997.

FROM THE BOARD OF DIRECTORS

Andrew Smith (Duke Andrew of Riga), Executive Assistant to the Board of Directors, sends courteous salutations to all.

In last month's announcements from the Board, I gave an incorrect date for the next quarterly Board meeting to be held in Calgary, Canada. The correct date is July 26, 1997. I apologize for this mistake on my part, and for the confusion I have caused.

At the April 19, 1997 Quarterly Board Meeting, the Board passed a motion prohibiting the use of any SCA funds for the purchase of alcohol, in the United States and its territories.

Below is a list of men and women who have been nominated for the SCA Board of Directors. The Board earnestly seeks additional nominations and comments on current nominees from any SCA member, regardless of rank, seniority, or location. If you wish to recommend anyone, or comment on the nominees listed, contact the Board Recruiting

Ombudsman: Lee Forgue, 2322 Russell Street, Berkeley, CA 94705,<eilis@haas.berkeley.edu>. Please note, Ms. Forgue will hold the position of Board Recruiting Ombudsman until the October 1997 meeting, at which time, it will be reassigned.

GRAND OUTLANDISH ROYAL ARCHER TOURNAMENT RESULTS

Greetings and salutations to all good gentles of the Outlands. I bear results of the tournament deciding whom would be His Majesty's new archery champion.

The tournament was simultaneously shot at Brigands in the north and Grand Outlandish in the south. I am proud to say all contestants displayed great skill in a close scoring match which is a half I.K.A.C. Tied for fifth place were Baron Athelstan of Bainbridge of Caerthe and Iain Lindsey MacRae, of White Mountain, scoring 73 points. Placing fourth with 74 points was Lady Katharina of Hawkshaven of al-Barran, third place was strongly held by Lord John of Blackwood, Caer Mithin Halle, with 79 points.

His Majesty's champion was decided in a shoot off as both contestants tied in tournament scoring with 84 points. Second place goes to Lord Peregrine Elric of Courtenay from the shire of Hinterland.

The new Royal Archer of the Outlands AS XXXII is none other than Lord Ashikaga no Yoshihiro (a.k.a. Hiro) from the shire Hinterland! Hearty congratulations and three cheers to you and all contestants in the Royal Archer Tournament. **Huzzah, Huzzah, Huzzah.**

ARCHERY AT OUTLANDISH - A NOTE OF THANKS

All I can truly say is **we had a ball.** Through rain, through wind, our Valiant Archers of the Outlands shot. We played games and Shot for scores. What can I say? We had **Fun.** I would like to thank these fine folks for all their help, for without them, I could not have done it: Steitan, Damion, Lucian, Mistress Kathryn, Rita, and Zephra all of al-Barran; Titus, Leland, Chris, Shawn, and Alec of Drygestan; Caoimhion the Fletcher (Kevin) of White Mountain; Baron Caomh Beathan Crubach (Gentle Ben) of Gleann Medonach; Ian Lindsey McRae of Nahrun Kabirun; and Lord John of Blackwood of Caer Mithin Halle. I would also like to thank Esabel le'Carpenter de Normandi for donating carpet for our target range. **Thank you all.**

May you always shoot with the sun to your back, and your arrows fly true and find their mark.

In Service to the Outlands,

Lady Albreanna d'Kyme
Captain of Archers for al-Barran

I.Equipment Specifications

A.General

1.There must be no exposed skin on the combatant's body. No movement or change in the combatant's position shall cause armor to shift such that skin is exposed at any time. Any piece of equipment that shifts enough to expose skin on a combatant will be cause for a hold to be called and must be secured to prevent further exposure or it must be disqualified as protective equipment.

2.No piece of equipment shall have rough, angular, or sharp edges which could cause injury, tear garments, or damage equipment.

3.No piece of equipment may be designed in such a way that it will damage any other equipment (e.g. break blades or rip cloaks).

4.All equipment must be in good repair so as to resist tears, punctures, or breakage.

B.Protective Equipment

1.Definitions

Impenetrable Material - 4 ounce leather, 4 layers of trigger cloth; or, any fabric or combination of fabrics that provides equivalent protection against penetration by a broken epee blade. For purposes of testing materials to determine equivalency to 4 layers of trigger cloth or 4 ounce leather, the material being tested must be able to withstand a hard thrust with a broken epee blade. A modern, full-weight, three weapons fencing jacket in good repair worn under a period garment is an acceptable equivalent for those areas it covers.

Sturdy Material - One layer of trigger cloth, broad cloth or equivalent. Or, any material that will withstand normal combat stresses (such as being snagged with an unbroken blade) without tearing. Lightweight vinyl, nylon hose or stockings, and cotton gauze shirts are examples of unacceptable materials. Double-thick tights or sweat pants are examples of acceptable materials.

Resilient Padding - Material which significantly absorbs the force of a rapier thrust. This consists of one quarter inch of close-cell foam or equivalent.

2.Head and Neck

a.The head and face must be protected with a minimum of a twelve-kilo epee, epee/foil, or three-weapons fencing mask which securely mounts on the head so that it will not become seriously dislodged during combat. Foil masks are not allowed.

b.The back of the head, throat and the neck must be covered with a coif made of impenetrable material.

c.The throat must be protected by a gorget, bib (such as normally attached to fencing masks), or equivalent of resilient padding. If theatrical rapier blades ("schlager" blades) are used, additional throat protection is required. Additional protection shall consist of a gorget of a minimum of eight-ounce leather backed by at least one quarter inch (1/4") of closed cell foam.

d.The coif, gorget, mask and torso garment must not gap during combat.

3.Torso and Limbs

a.The body trunk area, including the complete groin, back, abdomen, and both sides up to and including the armpits, must be covered with impenetrable material. There must be no gaps at the neck, armpits, or groin.

b.The arms, legs, and feet must be covered with sturdy material.

c.All male combatants must have rigid groin protection.

d.It is recommended, but not required, that female combatants wear rigid breast protection.

e.The hands must be covered with gloves made of sturdy material with cuffs long enough to cover the sleeve opening to prevent a blade from going up the sleeve.

f.No garment or accessory may be worn which can easily entangle an opponent's blade, can prevent a fencer from properly calling touches, or presents a safety hazard.

g.Additional protection may be worn if it does not interfere with blow calling.

C.Weapons

1.General

a.Blades must be free of rust, pits, or nicks which may substantially impair the strength or flexibility of the blade. Blades must be free of sharp burrs.

b.Blades may have no more than a single, gradual curve. Blades must not be cracked, broken, have multiple bends (S-curves) or twists.

c.All blades intended for use in SCA rapier combat, (including fighter practices, demos, tournaments, or melees) must first be inspected. Any blade that is determined by the marshals to be unsafe (i.e., showing signs of metal fatigue such as a sharp kink or a "soft spot" when it bends) must be removed from use. The failed blade shall be painted red or orange for at least half its length, or else cut or broken off so that it is obviously too short for SCA use. The owner of the blade shall choose the method of marking.

Appeals: If a fighter disagrees with the inspecting marshal's decision, the questionable blade must be inspected by two other marshals. The majority opinion of the marshals shall prevail. The fighter may appeal this decision up the marshallate chain of command, but may not use the questionable blade while the appeal is in process. Fighters are advised to keep a spare blade or two on hand, so that a blade failing inspection is an inconvenience rather than a major problem.

d.Blades must have their blunted point covered with a standard plastic tip, or equivalent. The tips shall be of a contrasting color so their absence is readily apparent. The tips shall be firmly affixed to prevent accidental removal during combat.

e.Any guard with openings sufficient to allow the passage or entrapment of a rapier blade must have the opening covered so as to prevent a blade from being entrapped. Generally speaking this is required on the outside of the guard.

f.If quillons are used, they must be straight or arched no more than 20 degrees and no longer than twelve inches in length from tip to tip. The ends of the quillons must be blunted to prevent injury. The quillons must be roughly centered on the weapon.

g.Basic French and Italian grips and others that can be documented as period are acceptable. Orthopedic grips (e.g. Pistol, Belgian, Viscounti, Gardere, Cetrulo, Rambeau, Spanish modern, etc.) are not period and are prohibited except when required for verifiable medical reasons.

h.Defensive equipment is used for parrying only and may not be used against the body of the opponent.

i.No equipment may be thrown (except when authorized under the non-standard equipment use rule) Equipment to be discarded or removed from the field will be handed to the rapier Field Marshals presiding over the bout.

2.Standard Offensive Equipment

a.Rapier - The rapier blade shall be a modern epee (V-shaped cross section: double wide epees and/or "musketeer" blades are included), or the theatrical rapier blade which is referred to as a "schlager" blade (oval cross section). The rapier must have a bell guard or quillons or both.

b.Offensive Dagger - The offensive dagger blade is a flexible steel dagger blade such as that sold by American Fencers Supply. The offensive dagger must have a bell guard or quillons or both. The use of broken foil and epee blades for offensive or defensive daggers is not permitted.

3.Standard Defensive Equipment

a.Defensive Dagger - The defensive dagger blade is the same weapon as the offensive dagger.

b.Scabbards - Scabbards must be made of lightweight, break resistant material such as ABS or PVC pipe or equivalent. If PVC pipe is used, the entire scabbard must be covered with cloth or duct tape to minimize the danger of jagged breaks. The length can not exceed thirty-eight inches and the width cannot be less than three-quarter inch outside diameter. The end facing the opponent must be capped or plugged.

c.Bucklers - Bucklers cannot exceed eighteen inches in diameter. The edges of the buckler must be at least one-quarter inch wide, and must be free of splinters and sharp edges.

d.Cloaks - Size, shape and weight is left to the discretion of the fencer, so long as it is recognizable as a cloak and not a whip, dishtowel, flail, etc. Any weights or stiffening used in the cloak must be of such construction as to pose no risk to an opponent. (e.g. rope or rolled cloth sewn into the hem are acceptable; curtain weights, fishing weights, metal chain, or lumps of metal are not acceptable).

e.Non-Rigid Improvised Weapons - Improvised weapons such as hats, mugs, bottles, fish, fowl, sausage, etc. may be used upon the consent of the opponents and approval of the Marshal in Charge. Soft materials such as cloth, foam, and tape are required in the construction of these weapons.

4.Non-Standard Equipment and/or Technique

a.The Rapier Marshal in Charge must authorize the use of any equipment and/or technique that is not described in these rules. This approval applies only to one competition and must be re-obtained for any subsequent competition. The Rapier-Marshal-In-Charge may revoke approval at any time that he or she believes it necessary or prudent to do so.

b.Anyone wishing to employ such equipment or techniques must also obtain the permissionof their opponent. If an opponent does not consent to face said equipment or techniques, then that equipment or technique will be disallowed for that bout.

II. Marshalate Rules

A.Marshals

1.Outlands Rapier Marshal is the Marshal appointed by the Crown and the Earl Marshal to oversee rapier combat within the kingdom and is the only Marshal who may appoint Rapier Authorization Marshals.

2.Authorization Marshals are appointed by the Outlands Marshal of Fence and are charged with the responsibility of authorizing rapier fighters for competition and to authorize Rapier Field Marshals to oversee safety and the orderly conduct and action of combat.

3.The Marshal in Charge is an authorized Rapier Field Marshal who is in charge of the rapier activities at a specific SCA function. This Marshal is specifically responsible for the general enforcement of all Rules of Rapier Combat, equipment inspection, and the combatant suspension procedure. There must be a Marshal in Charge at every SCA function where there is rapier activity.

4.Field Marshals act under the direction of the Marshal in Charge upon the Combat Field to oversee the safety and the orderly action of combat. These Marshals are responsible for the enforcement of the Rules of Rapier Combat, except that the authority to suspend a combatant is reserved to the Marshal in Charge.

5.Group Rapier Marshals are authorized Field Marshals responsible for reporting and managing the Rapier activities of a specific SCA Group (Barony, Shire, etc.) As an SCA officer they are required to fully understand and enforce current SCA Rapier Policies. The Group Marshal must be or assure that there is a Marshal in Charge at all required times.

B. Combat Authorization

1.All combatants must be authorized for the weapons forms they use and must show proof of authorization (valid green card or equivalent from another kingdom) before being allowed to participate in any rapier combat activities. The only permitted exception to this rule is: unauthorized rapier fighters may train with, and under the supervision of, authorized rapier fighters in order to prepare for authoriztion. However, the unauthorized fencer must have a valid "blue" membership card and/or have a waiver on file locally before being allowed to train at any official SCA event.

2.Authorizations from other kingdoms will be honored in the Outlands; however, if a rapier fighter from another kingdom stays in the Outlands for three months or more, he or she must obtain an Outlands authorization. Out-of-kingdom rapier fighters must familiarize themselves with the Armor and Weapons standards as well as all other rules, requirements and conventions of Outlands Rapier Combat.

3.There are four combat authorizations: Single Epee (abbreviated FSE), Epee and Defensive Secondary (abbreviated EDS), Epee and Offensive Secondary (abbreviated ESO), and Schlager—All Forms (abbreviated SAF). An abbreviation for Fencing—All Forms (FAF) may be used to designate that the fencer is authorized in all of the aforementioned forms.

a.Fencing authorizations are valid for a period of two years.

b.No authorizing marshal may authorize a rapier fighter for any weapons form for which that marshal is not already authorized. When new weapons forms are introduced in the Outlands, it shall be the responsibility of the Kingdom Rapier Marshal and/or his or her specifically designated representatives to test and authorize the Authorizing Marshals on that form.

c.In the event of the introduction of a new weapons form or authorization, anyone holding a FAF designation must authorize in the new forms to maintain their FAF designation. No prior FAF designations will be grandfathered to include new forms. For this reason, use of the FAF designation on authorizations is not encouraged.

4.All authorizations require that the combatant pass a test of knowledge about the equipment specifications and Marshalate rules of the Outlands. The fencer must pass a field test using the appropriate equipment before an authorization is issued. The Authorization Marshal must answer the following question in the negative: "Is this fencer a danger to him/herself or to others?"

5.The Authorization Marshal shall issue or update authorization cards for those that pass the authorization test and shall send the required forms including an Authorization Report Form to the Kingdom Lists Ministry and a completed Authorization checklist to the Kingdom Rapier Marshal.)

6.The candidate who fails the test will be given additional training and may apply for authorization at another time. The candidate who passes the tests will be duly authorized to compete in official Rapier Competitions within the Kingdom.

7.A rapier fighter must be 16 years of age or older in order to participate in rapier combat or marshaling. Minors (under 18) must complete three copies of the minor waiver and medical consent form (signed by a parent or guardian and notarized) before being allowed to engage in any rapier combat activities. The minor must keep one copy with him or her at all times; one copy is kept by the local group; and, one copy must be sent to the kingdom Minister of the Lists. The parent or guardian must witness and approve of the minors participation. Minors may only be authorized by the Kingdom Rapier Marshall or a representative specifically designated to authorize a minor. The Kingdom Rapier Marshall must be notified prior to the authorization of any minor. Authorization cards for minors must be prominently marked with the word "MINOR" so that list officials will request to see the notarized minor waiver.

C.Marshaling Authorizations

1.Anyone supervising a duel or bout at an SCA function must be authorized as a Rapier Field Marshal.

2.Such authorization shall consist of an extensive test of Kingdom Rules for Rapier Combat, armor inspection, field protocol, required calls, warning procedures, and combat conventions for the Outlands. The Authorization Marshal must answer the following question in the positive: "Is this marshal dependable and capable of running a safe list?"

3.The Authorization Marshal shall issue or update authorization cards for those that pass the authorization test and shall send the required forms including an Authorization Report Form to the Kingdom Lists Ministry and a completed Authorization checklist to the Kingdom Rapier Marshal.)

6.The candidate who fails the test will be given additional training and may apply for authorization at another time. The candidate who passes the tests will be duly authorized to supervise official Rapier Competitions within the Kingdom.

D.Inspections

1.No combatant shall be entered into a list without having had all equipment pass inspection by the Marshals appointed for such purpose at that list.

2.If any equipment is found to be unsafe or not in compliance with the Rules of Rapier Combat of the Outlands during an inspection or bout, the fencer may not participate further in the competition until the equipment in question has been replaced, repaired, or discarded to the satisfaction of the Marshal in Charge.

3.Each fencer must be authorized to participate in competition. It is the duty of the Minister of the List to verify each fighter's authorization. If there is no Minister of the List, it is the duty of the Marshal in Charge to verify each fighter's authorization.

E. Rules of the List

1.Combatants shall know and follow "The Rules of the Lists of the Society for Creative Anachronism, Inc."

2.There shall be at least two Marshals on the field for a tournament, duel, or melee and at least one for any other combat.

3.Combatants may engage only when the rapier field Marshal has received verbal acknowledgment of readiness from each combatant and has instructed them to begin.

4.The engagement will halt when "hold" is called, at which point the combatants will assume a non-aggressive stance and not move unless directed to by the Marshal.

5.Hold will be called by the Marshals or the combatants when safety is compromised, a rule has been violated, the list field is about to be left, or when a combatant has a question about a touch. A safety issue could be, but is not limited to, a combatant falling, or involved in a dangerous, uncontrolled motion, equipment failure, or potential equipment failure of any kind.

6.The Marshals shall use the term "matte" to warn the combatants if they are approaching the edge of the list field. The combatants should then make an effort to avoid running off the field.

7.At the end of each bout the Marshal shall ask each of the fighters if they are satisfied with the bout. Each Marshal is also asked if they have any questions. Any participant who leaves the field without resolving any questions they may have thereby declares themselves satisfied with the bout.

8.There shall be no combat between fighters using heavy weapons (rattan) and equipment and those using rapier weapons and equipment.

9.There shall be no combat between theatrical (schlager) blades and epee blades.

10.Any combatant may, without dishonor or penalty, reject a bout against any non-standard equipment or technique. The non-standard equipment or technique will then be disallowed for that bout; and, the bout will be resolved using standard equipment and techniques.

F.Rules of Combat

1.The entire body is a legal target area.

2.For the purpose of calling touches, all combatants are considered to be wearing light clothing only: shirt, hose, skirts, etc. No touch shall be assumed to have its effect negated due to clothing or protective garments.

3.Each combatant calls touches received.

4.A valid touch is defined as a valid thrust or cut.

a.A valid thrust is any thrust with the point of the rapier which is hard enough to cause direct pressure to be transmitted through the garments and against the flesh. It is only necessary to have minimal flex (less than 1 inch) and should never exceed 2 inches on a standard epee blade. A double wide epee, musketeer, or schlager blade should not have to flex at all.

b.A valid draw cut is any cut delivered by placing the edge of the offensive weapon against the opponent and pulling (drawing, not pushing) the blade. Continuous pressure and a draw length of no less than twelve inches is required for the cut to be valid. Sabre cuts, hacking, and slashing are not allowed.

5.A valid touch is not negated due to sliding off after contact.

6.A valid touch to the arm between the center of the shoulder joint and the finger tips disables the arm.

7.A valid touch to the leg between the groin and the tip of the toes forces the combatant to lose the use of his leg.

8.When a valid blow to an arm or leg is delivered, no hold will be called.

9.A kill is any valid touch to the head, neck, or torso. This includes everything inward from the center of the shoulder joints and groin area.

10.A kill occurs instantaneously and therefore no new offensive actions can be started. Movement begun prior to the kill may be completed.

11.No forward or upward motion from the seated or kneeling position will be allowed.

12.When engaging a rapier fighter who has lost his/her leg(s), circling is not permitted. the standing rapier fighter must stay within the forward arc of the disabled fencer.

13.A bout may be won by a kill, when both arms are disabled, when one opponent yields or forfeits, or when other previously agreed conditions are met.

14.A combatant is considered armed so long as one offensive weapon is retained.

15.When disarmed (holding no offensive weapon) the combatant must yield and accept a safe, honorable loss unless his/her opponent allows him/her to recover his/her closest weapon. Diving or scrambling for a weapon is unsafe and specifically prohibited.

16.Competitions which announce in advance that there will be more than two combatants on the field at the same time (melees) are allowed. The Marshal in Charge shall provide field Marshals in proportion to the size of the battle, procedures for identification and removal of corpses, removal of abandoned equipment, rules of engagement, and rules for death from behind.

17.Combatants may not grapple. This includes the grasping of the opponent and/or the opponent's equipment, punching, tripping, wrestling, and/or pushing the opponent. This does not preclude sweeping moves designed to clear the opponents blades from line or prevent a draw cut, even if such motion causes accidental arm to arm contact. Inconsequential body-to-body contact can be expected and is not forbidden. Deliberate body-to-body contact is not allowed.

G.Warning and Suspension

1.The Field Marshals must warn any fighter whose conduct is deemed unsafe, such as but not limited to, intentionally trapping any offensive or defensive equipment against the body, striking with excessive force, slapping with the bade, consistently ignoring touches, or deliberate misuse of rules to gain an advantage over an opponent (such as intentionally falling when pressed). Such warnings must be reported to the Marshal in Charge.

2.The Marshal in Charge will suspend the authorization of any combatant and remove them from the list field for a second violation of the rules.

3.The Marshal in Charge will report the suspension in writing to the Outlands Marshal of Fence within one week following the suspension. The Marshal of Fence will investigate the suspension within two weeks of notification. If the suspension is found to be valid the Marshal of Fence will either allow the suspended fencer to reauthorize or recommend to the Earl Marshal that the matter be taken up at the next available quarter court. The Earl Marshal will respond within two weeks of notification by either allowing the fencer to reauthorize or by scheduling this matter for the next available quarter court and thereby abiding by its decision.

PENNSIC PITY PARTY VII

Gleann Medonach, August 1-3, AS XXXII (1997)

So you say you aren't going to make it to Pennsic War. You are going to have to miss the great fighting and the amazing reveling. Well, so are we! The Shire of Glean Medanoch would like to invite you to the 7th annual Pennsic Pity Party. Come join in the great sorrow of missing the war, and help us to create our own reveling. There will be fighting (heavy and light), singing, dancing, archery, and the selling of small children. Well, maybe not the selling of small children. But in general Great Fun will be had by all.

The site is dry, so please be considerate. Also remember your swimming suit, as our site is located about half a mile from one of the best swimming lakes in the Outlands. Please bring all the proper swimming gear for your children. Note that there is not always a life guard on duty! On Saturday night please join us in a night of remembrance for our dear friend Rygel (Christian Rojas). The State Park has allowed the Shire to plant a special tree

in his memory.

The site opens at 5:00PM on Friday, and closes at 12:00 noon on Sunday. Please make checks payable to SCA-GLEANNN MEDANOCH.

Directions to site: Due to mundane laws there will be no signs posted inside Roswell city limits. Signs will be posted from the eastern city limits on. Take your best route to Roswell, NM. Highways intersect at Second and Main. From there head east to the Bottomless Lakes State Park. The Bottomless Lakes State Park is marked on most New Mexico maps.

QUEST FOR THE DRAGONS

Shire of Plattefordham, August 8-10, AS XXXII (1997)

In quest of dragons? Mythical creatures, never existed. All gone. No longer to be found. Not so in Plattefordham. We have been blessed with an abundance of dragons and we wish to share our treasure with the folk of the Dream.

Come and see how many dragons your skills can earn you. There will be opportunities in the fighting arts, arts & sciences (the categories are Fiber Arts, Functional Arts and Visual Arts as defined by Kingdom A&S), a bardic competition, and categories for children. We are considering a boffer tourney, A&S and an award for the young SCAdian whose actions over the weekend most exemplify the ideals of the Dream.

Directions: The site is Edness Wilkins State Park four miles east of Casper. Take your best route to Casper exiting the King's High way (I-25) at Hat Six Rd. (Exit 182). Follow the signs to the park and then follow the road around to the Pavilion we will be using. There will be a clear view so you won't have any trouble knowing where to go.

SITE FEE: $4/adults, $2/children (under 12); feast $7/adults, $3.50 6-12, under 6 free. There is no limit for feast seating at this time, but feast reservations, preferably paid, MUST be in by August 1, 1997 at the absolute latest. We have room for approximately ten merchants; a fee of $10 will reserve a merchant spot and cover one adult site fee. Please make checks payable to "Shire of Plattefordham, SCA Inc."

There will be a site fee rebate for gentles willing to work with our security team. (This is a wonderful site, but there is a swimming pond and the Platte River flows along the park. We seek enough gentles to provide round the clock patrols to insure safety for all.) This is a damp site (wine, mead and beer only). The site has potable water, permanent toilets, and a limited amount of shade; you will want to make provisions for your own shade in case all the shaded spots are taken before you arrive. Swimming is permitted in the pond (children must be accompanied by a parent or guardian to go in the swimming pond), and fishing (with a Wyoming permit) is also possible at the river. Fires must be contained and no open flames are permitted.

HAWKS HOLLOW DEFENDER

Hawks Hollow, August 16, AS XXXII (1997)

Yes, it's that time of year where the good people of Hawk's Hollow choose the Champions of broadsword, rapier, and bow. Let me not forget the Champion of the art of the bard. All who would prove their worth on the Field of Honor are asked to attend.

Since this is a one-day event, it will be run a little differently than the Three Hawks Champions. First, you are not required to compete in teams. The heavy weapons tournament will be a double elimination tournament. The winner of this tournament will be known as the Defender of Hawks Hollow. The format for the light weapons tournament will be at the whim of the Rapier Marshal of the canton and the format for the archery tournament will be at the whim of the Archery Warden. The Rapier Champion will be known as the Protector of Hawks Hollow, and the Archery Champion will be known as the Yeoman of Hawks Hollow.

The bardic competition will be going on all day during the tournament. Those of you who wish to compete for the honor of becoming the Bard of Hawks Hollow, please make time to perform for our Seneschal, Lady Caelainn. A court will be held at the whim of the Baron and Baroness of Caerthe if they are in attendance.

Bring your sunshades and pavilions, a picnic lunch and plenty of libations, and prepare for a day of tournaments that will rival those of literature.

The tournament will be held in the Canton of Hawks Hollow in Scout Park. Take your best route to I-25 and 120th St. Take 120th east to Community Center Dr., then take Community Center Dr. south for 1/4 of a mile. Look for all the people standing in the middle of a field milling about. There will be signs, so don't worry about getting lost. The site will open at 9:00 a.m. and will close at sundown. Since this is a public park, the site is discreetly wet. Also, no glass containers. The site fee will be a brass bowl. The funds will be split between the fighters, fencers, and archers of the canton.

Citadel of the Southern Pass, August 22-24, AS XXXII (1997)

The Barony of the Citadel of the Southern Pass, the Shire of White Mountain and House de Gilbert invite all who read these words (and anyone else) to attend the seventh annual Enduro Quest. The theme of this year's quest is Japan.

The site for Enduro is, as always, Wehinapay Boy Scout Camp located in the green and verdant mountains outside of Cloudcroft, New Mexico. Since it is in the green and verdant mountains, it will most likely rain and the nights will be chilly; please bring appropriate gear, including sturdy footwear.

The site is **DRY**; no alcohol in **any** form is allowed. No pets are allowed on site. If these rules are broken, you will be asked by the Ranger to leave the site!

The Enduro quest will be run on Saturday starting at noon. It will be run rain or shine. The teams will be made up of heavy and light fighters, sherpas (water bearers) and non-combatants.

Saturday night we will be serving a rare delicacy (for Japan anyway), beef stew. After the feast there will be a bardic competition in the Japanese style. Haiku is one form to consider. Sunday there will be Jugger tourneys for Heavy, Light and Boffer similar to the one fought at Citadel Celebration. We encourage you to form a team and practice together to get ready for this. For more information on Jugger, please contact Lord Eldon.

The site opens at noon on Friday. The site fee is $10.00 for camping and $15.00 per person for cabins. (Reservations are being accepted for cabins.) FIELD OF GOLD TOURNEY

Caerthe, August 29 - September 1, AS XXXII (1997)

Behold good gentles one and all, the Field of Gold Championship Challenges is in the offing! Does your heart pound at the thought of honorable mortal combat? Does your heart soar at the thought of arrows in flight? Does your heart sing at the thought of a stirring romantic ballad or serenade? Or does it perhaps race within your breast at the thought of all three? Well if so then plan now to journey to Pawnee National Grasslands on the weekend of August 29 through September 1. For an event of such epic proportions, of such unprecedented grandeur as to truly test the mind, talents, and skills of any good gentle regardless of their interests. This will truly present an opportunity to witness the genius and creative talents that is the Kingdom of the Outlands!

Fees: All of this is available for the paltry sum of $9.00 (teens $3.00/children under 12 free). Please make checks payable to SCA-Caerthe. At this time reservations are not being accepted.

The site opens at 3PM on Friday, with an informal bardic in the evening.

Saturday/Sunday

Fighting: 3 heavy weapons, 3 fencing and 3 archery shoots, one each sponsored by the Baronies of Caerthe, Dragonsspine and Unser Haven. Two of each of these tourneys will run on Saturday morning. Saturday afternoon will be filled with melee action, run by various other groups from the northern Outlands. The third heavy, fencing and archery event will happen on Sunday morning.

Arts: We will have variety of classes to enlighten the mind. As we did last year, the same classes will be held on Saturday and Sunday, so you do not have to miss a thing. Saturday night will be the Field of Gold Bardic Championship Challenge. Sunday night will be drumming competition (Middle Eastern, Celtic, you name it), sponsored by the Northern chapter of Rolling Thunder.

Sunday the Champion Challenger's Grand Processional followed by the third round of tourneys mentioned above. After all the tourneys, a Grand Court will be held.

The site closes at noon on Monday.

Food: There will be a free feast on Saturday night. This wonderful feast will be a "pot luck" of sorts, as each northern group will be bringing "a dish." For example, the Baronies will be providing the stews (beef, chicken, veggie), Shires and Cantons will bring everything else. One of the Autocrat's many helpers will be contacting each local group to see what they may be able to provide. Lunch will be provided Saturday for the Landed Baron/esses and Royals in attendance. Please contact the Autocrat for any questions concerning the Landed Baron/ess and Royal luncheon.

The true glory shall be for the gentle proclaimed the "Field of Gold Grand Champion." In addition to honor and riches beyond measure, they will also have the privilege of naming the Consort of Love and Beauty, both to reign for a year and a day in immeasurable grandeur and splendor. For any and all with the courage, skill, and valor to compete for this singular honor, the following shall be done:

1) At the Saturday morning Assembly all competitors in the Field of Gold Championship Challenges "Grand Champion" title must declare themselves and receive a "Special Grand Champion Competitor Sheet" ("SGCCS") from the autocrat.

2) The competitor must enter a heavy weapons tourney, a light weapons tourney and an archery shoot and the results entered on the SGCCS.

3) Saturday evening the competitor must enter the Field of Gold Bardic Championship Challenge and the results entered on the SGCCS.

4) On Sunday morning, the competitor must enter the Processional and the results entered on the SGCCS.

5) Turn in your Special Grand Champion Competitor Sheet to the Autocrat as soon as you have completed your tasks before the Grand Court.

6) Trust to the fortunes of war or peace as the case may be!

There will also be a mini-Field of Gold Championship Challenge for the children with boffer, bardic, and archery with a junior Field of Gold Champion.

Merchants are welcome! Contact the Autocrat for more information.

Site Restrictions and Amenities: The site has many amenities, lots of fresh HUN land, crystal clear spring water, trees, and shade. The site is very wet. All pets must be leashed and under control at all times or they will be asked to leave. As those of you in attendance last year will remember, September 1 is the beginning of dove hunting season, and it will be important to keep all pets and children out of the brush.

So as the fields turn Gold in the late days of summer, come to the Field of Gold Championship Challenges for an unparalleled immersion in the medieval experience, the likes of which has yet to be attempted. If you miss this one, you will regret it unto death!

Questions? Want to volunteer? Teach a class? Contact the Autocrat.

Directions from Fort Collins, CO: From I-25 at Fort Collins take exit 269A (Hwy 14) east 35 miles through Ault to Road 77 (immediately after mile marker 176). Turn left on Road 77 and go a short 1/4 mile to the first gate on the left. Turn in and that road leads directly to the site, the Pawnee National Grasslands. Signs should be up but the locals do enjoy collecting them.

FOUNDERS CHALLENGE/SILVER PASS TOURNEY

Rio de las Animas Perdidas, August 29-September 1, AS XXXII (1997)

Greetings to the populace of the Known World from the Incipient Shire of Rio de las Animas Perdidas (Lost Souls). All are most heartily invited to join us in this, our third Founders' Feast and second Challenge, in one of the most beautiful areas in our Kingdom, Durango, CO.

Our shire has been caught in a border dispute over the claim to the Silver Pass (Red Mountain) between Silverton and Ouray. Presently the map shows Silverton on the Outlands side and Ouray on Artemisia's side of the border. The outcome of this event will determine who holds the Pass for the next year. The Outlands currently holds the Silver Pass; will Artemisia be able to take claim this year? I THINK NOT!!!

The site will open Friday, August 29, at noon and will close Monday, September 1 at noon. We have the same gorgeous location this year: 52 acres of trees and a huge meadow located about 8 miles N.E. of Durango, with water on site (but you may want to bring some also). Please come join us for Labor Day weekend and escape the heat! We promise an outstanding and memorable event.

We will begin the activities Saturday, late morning, with light weapons to determine the Shire Defender. This will be followed by a heavy weapons challenge tourney, which will decide who bears the Silver Pass insignia for one year and claims the Pass for their kingdom.

All fighters are asked to send a copy and/or description of your device (if you didn't last year) to Lord Gerhardt Drachenmacher (Lee Bernhardt), 72 River Road, Durango, CO 81122 or fax to (970) 247-2740.

Other Saturday activities include a Children's Story Time, Face Painting, Royal Rounds in archery, followed by a Wand Shoot, with children's balloon shoot in the afternoon. There will be an Arts and Sciences competition, with documentation not necessary but a plus. All this will be followed by a Middle Eastern feast with entertainment, after which a bardic competition will commence.

Menu: Hummus, Boorak, Spiced Vegetables, Pita Bread, Lentils with Onions, Couscous, Spiced chickpeas, cold cucumber dip, roasted meats, sorbet. List of ingredients available at gate.

Sunday morning join us at the kitchen for bagels and biscuits, jellies, cream cheese, coffee or tea (it's included in your site fee!) and relax for awhile before your day gets started. Then the youngsters get ready for a boffer tourney--please bring safety equipment.

Early afternoon the field will be cleared for a melee, bring your favorite SCA weapon and let the best be the last one standing. But if this does not interest you, a 3-D archery course will be set up in the woods. Your skills will be greatly tested!

Prizes: Complete Pavilion (style not yet determined)
Large hand ax by Tam MacGrim
List Pavilion or Competition Grade French Rapier - not determined yet
One dozen custom arrows
Hand-tooled leather binder cover
Various prizes for children

We will be raffling a psalter with wooden case and a two-tone chainmail belly-dancing belt, both donated for this purpose.

This is a DAMP SITE with all Colorado laws strictly enforced: no open fires, Colemans okay, dogs on leashes, alcohol in period containers only, displayed fire extinguishers.

DIRECTIONS: Take your best route to Durango, then follow Hwy. 160 east to C.R. 234. Turn north; proceed 1 mile to C.R. 228. Turn east and drive 5.5 miles, turn right (at sign) and continue 100 yards. Turn left and drive 1/4 mile to site. There will be signs posted from 160 east. Maps are available from autocrat upon request.

Drygestan, September 13, AS XXXII (1997)

Their Royal Majesties, Lycurgus and Mikhailina, invite all to participate in the third Outland's Queen's Prize Tournament. The Shire of Drygestan has graciously offered to host this year's wondrous event of arts and sciences for all to enjoy.

The rules for the Queen's Prize Tournament are as follows:

Entrants:

1.) Entrants may not be members of the Order of the Laurel.

2.) All entrants must have a sponsor from the Order of the Laurel, Ladies of the Rose, or a Companion of the Desert Flower.

3.) Entrants do not have to do something in a field for which the sponsor is known. Entries may be in any field.

4.) Entries will be judged on the aforementioned criteria in kind, humane and constructive manner.

5.) Completion of entries is highly encouraged. If the work is incomplete, be prepared to explain the finishing of the entry.

6.) All work shall be completed by the entrant. For this reason, group entries are discouraged, but will be considered as long as there is only one entrant in the group.

7.) Entrants may only enter one item.

8.) Entrants should make every attempt to stay with their entry during the judging as input and feedback from judges is a driving force behind the tourney.

Sponsors:

1.) Sponsors must be members of the Order of the Laurel, Ladies of the Rose, or Companions of the Desert Flower. No one may sponsor themselves. No one may both enter and sponsor.

2.) Each sponsor must bring at least one "prize" or token, preferably made by their own hand. In this manner, everyone will receive at least one "prize"; however, feel free to make extra tokens to award personally to other entrants.

3.) The sponsor may not physically assist in the production of an entry, but is encouraged to teach skills, help direct research efforts, offer advice or encouragement as needed or requested by the entrant including introduction to others that may be knowledgeable and helpful, and generally support the project in order to facilitate the production of the entry.

4.) Sponsors are responsible for pre-registering their entrants.

5.) There is no limit to the number of people you may sponsor, but try not to sponsor so many that you cannot give adequate encouragement and help to all.

6.) If either the sponsor or the entrant is unable to attend the event, it is the sponsor's responsibility to make sure the entries/prizes get to the event on time. If the sponsor cannot attend, a surrogate judge will need to be found. The sponsor must contact the autocrat to make arrangements.

Members of the populace are encouraged to give tokens to the entrant(s) of their choice. All Sponsors will be required to judge a limited number of pre-designated entries. More information will be forthcoming on this issue as time progresses. No one will be required to judge for long strenuous hours, or give input in an area they know nothing about.

To register for Queen's Prize please send the following information to the autocrat: Name, Address, and Phone number of both the Sponsor and the Entrant, as well as an approximate description of the entry following general Arts and Sciences guidelines.
